

Lundgren Decision Discipline Committee's Decision Background

The public hearing regarding Mr. Lundgren occurred on June 20, 2019.

As part of its deliberations, the Discipline Committee (DC) requested a court transcript from Mr. Lundgren's court case(s). This transcript was not readily available from the court and took a lengthy period to be finalized and released to the DC.

Because the transcript was not initially presented at Mr. Lundgren's hearing, procedural fairness dictated that Mr. Lundgren be provided a copy and that he have 30 days to provide any response prior to the DC using it to inform its deliberations.

After the 30-day period, the DC was able to continue deliberations and finalize its decision. Its decision was finalized on November 13, 2019.

Once the DC reach its decision, there is a 30-day appeal period. The SPTRB's practice is to post decisions publicly upon expiration of the 30-day appeal period.
